## Volunteer Librarian

**To start April 2025.**

We are looking for an enthusiastic reader and book lover to join our team at Netherhall School on a voluntary basis to assist with the running and supervision of our excellent school library. Literacy lies at the heart of our mission at Netherhall School, and we aim to support all of our students to develop a genuine love of reading and books. Our school library provides a welcoming and inclusive environment in which students can engage with their reading.

With this in mind, our Volunteer Librarian will assist with: the organisation and management of library records and resources; supporting students and teachers during library lessons; promoting books and a love of reading across the school; and developing our library services for the benefit of our students.

Our Volunteer Librarian will ideally be an avid reader, with an interest in developing their knowledge of Young Adult literature, so as to promote and recommend books to our students. They will also possess a warm, friendly persona and good organisational skills. Experience of working with young people would be an advantage, but no previous experience or qualifications are necessary as training and support will be provided.

The day-to-day working arrangements of this position will be negotiated according to the availability of the successful candidate, within the school operating hours of Monday to Friday from 08:30 until 15:00.

References will be requested before candidates are called for interview.

Netherhall School is committed to safeguarding and promoting the welfare of young people and expects all staff and volunteers to share this commitment.

The successful candidate will be subject to pre-employment checks including an enhanced DBS (CRB) check.
