

Netherhall School

An Ambitious, Caring Community

As you will appreciate, homework has an important and useful contribution regarding your child's education. It supports the development of personal organisation, diligence, independent working and research which both reinforces and extends learning.

There is a homework club at the school which runs every Tuesday and Wednesday from 3.00pm -4.00pm in room 222. This is fully staffed and has complete ICT provision. It is a quiet purposeful atmosphere that supports and encourages students to complete homework, to the best of their ability. The facility provides all students with the opportunity to aspire to reach their full potential.

In addition to this, if a student is experiencing difficulties with completing homework to an acceptable standard by the agreed timeframe, parents will be contacted by Mrs Fisher and offered support from the school. The usual indicator is the accumulation of three or more behaviour points by a student in the half term. The aim is for students to become more independent and improve the standard of their homework, which will avoid any unnecessary behaviour points or detentions.

In anticipation, your support in the matter is greatly appreciated, If your child would like to make use of the homework club, please encourage them to do so. If you are contacted by Mrs Fisher for your child to attend homework club, please support this action by insisting that your child is to attend this provision.

If you have any questions, please contact Mrs Fisher via either the school reception – 01900 813434 or school email: s.fisher@netherhall.cumbria.sch.uk

Yours faithfully

Mrs S. Fisher

Netherhall Road, Maryport, Cumbria, CA15 6NT
