

Teach Computing Curriculum Journey

Key	AL Algorithms	ET Effective use of tools	Computing
	CS Computing systems	IT Impact of technology	GCSE CS: Programming
	CM Creating media	NW Networks	GCSE CS: Theory
	DI Data & information	PG Programming	
	DD Design & development	SS Safety & security	

How does it all fit together??

You have one lesson a week in KS3.

Then in year 9 you choose an option from:

Vocational ICT

GCSE Computer science

GCSE Creative media

You can then take an A level in ICT in sixth form
